**Come experience it for yourself!!
Sunday, September 30 – Wednesday, October 3, 2012**

“I have lots of places to go for clinical updates. I have no other place to go for training skills.”
LPS-Based Physician/Faculty member

As AETC Faculty and Program Staff you will have the opportunity to:

- Improve your skills to build high quality HIV/AIDS clinical training programs
- Learn innovative training and education techniques to advance your skills as a trainer/facilitator/program manager
- Engage in interactive learning
- Network with AETC colleagues from around the country
- Share your AETC accomplishments and learn about others’ at a dynamic poster session
- Develop relationships for future collaborations
- Get energized, inspired, and have fun in a spectacular setting, one block from the Pacific Ocean
